

3-18-20 COVID-19 Update: Facility Permits, Summer Camps, and Golf Course Cart Rentals and Tee Times

Due to the ongoing COVID-19 public health situation, information is ever-evolving. The City of St. Petersburg's Leisure Services Administration will be continuing to update the community on Libraries, Golf Courses, and Parks & Recreation.

CITY GOLF COURSES:

Effective today, March 18, golf courses will only be accepting credit and debit cards; no cash will be accepted. Additionally, in an effort to follow the Centers for Disease Control and Prevention (CDC) guidance on social distancing, golf cart rentals will be limited to one golfer per cart unless the golfer is riding with an immediate family member. This change in procedure will increase cart rental demand; therefore, tee times may be delayed and affected through Wednesday, March 25.

Beginning Thursday, March 26, tee times will be adjusted to accommodate for the changes in demand on cart rentals. Players choosing to walk instead of using a golf cart will be less likely to experience a delay in tee times. We appreciate your patience as we navigate changes in procedures to follow instructions from the City of St. Petersburg's Emergency Management team and health officials in relation to COVID-19.
